10th Anniversary

It has been 10 years since we met for the first time in 1996 and started our association. That means the Association is just 10 years young and the committee members are 10 years older. This all means we need new blood and also the need to get our younger generation involved.

It was nice to see more members coming out for the General Meeting and we hope to see more next year. Yes, as you mentioned in your notes that you sent with the nominations, you are satisfied with the committee as is, but I am a strong believer that we need others to get involved to bring in new ideas.

I would like to take this opportunity to congratulate Mr. Emmanuel Ciappara on his appointment as Chief Representative, of The Bank of Valletta Toronto Representative Office and at the same time we thank the Bank of Valletta for their continuous support.

In February Joe Zammit and I received a surprise invitation for a reception on board HMCS Athabaskan the Canadian destroyer that was in the Grand Harbour, one of the five war ships from the NATO maritime Group 1. Thanks to Commodore J.A. Denis Rouleau; Commanding Officer, Captain(N) David C. Gardam, and Chris Dickinson, Commander, Squadron Public Affairs Officer and all the crew for their welcome and hospitality that made us feel at home.

Our coming activities are our annual Kemmuna Hike on May 1st, we are also trying to organize something for Mother's Day in May and make sure to mark July 1st on your calendar keep it open for Canada Day. All members will receive a letter with all the details.

Big thanks should go to all committee members for their time and support they give to this organization and we welcome Emmanuel Tabone the new committee member. Please note that our committee meetings are open to all the members, we try to hold our meetings on the first Thursday of each month but if you plan to attend please confirm with the secretary or one of the committee members.

Messaggj tal-President

President's Message

WARA L-LAQGHA ĠENERALI 2006

Gheżież membri u hbieb ta' din l-assoċjazzjoni,

Huwa ta' pjaċir kbir u sodisfazzjon għaliġa li għoġobkom terġgħu ttellgħu fil-kumitat lill-istess membri li kien hemm qabel, għal dawn it-tmax-il xahar li ġejjin. Jiena nittama li d-deċiżjoni ta' dawk li bagžtu n-nomini tagħhom kienet għar-raġuni li riedu jafdaw f'idejna sena oħra ta' tmexxija, f'kumitat li konna diġa' mexxejna għat-tmax-il xahar ta' qabel. Għalhekk f'isem il-kumitat niringrazzjakom ta' l-appoġġ, il-fiduċja u s-sapport kontinwu tagħkom.

L-assoċjazzjoni tal-Maltin Kanadiżi lura fi gżiritna - Ghawdex, hija assoċjazzjoni li għalkemm ma tagħtik servizz direttament f'affarijiet ta' natura governattiva, f'dik li hija pensjoni u affarijiet oħra, madankollu tipprova tiggwida u tghin lil kulmin għandu bżonn l-għajnuna skond ir-regoli u l-forma priskritta; hija wkoll għaqda li tohloq katina, riunjoni - għidilha li trid - bejn il-familji emigranti Ghawdxin li ġew lura mis-safar.

Hawn nixtieq niehu spunt ukoll mis-suggerimenti li harġu fost oħrajn waqt il-laqgħa ġenerali: li din l-assoċjazzjoni għandha tibqa', minkejja l-fatt li hafna minn tal-kumitat diġa' huma pensjonanti u oħrajn qegħdin fuq l-għatba; wieħed għandu jibda jhajar lill-istess uliedna biex jinteressaw ruħhom u jiffurmaw grupp li jkun jista' jorganizza hu wkoll l-attivitajiet tiegħu, u b'hekk titkompla dik il-link ta' dik li hi proprju "art twelidhom", il-Kanada.

Waqt li kont qed nipprepara dan il-messaggj għal din il-harġa, jiena, flimkien mas-segretarju Alfred Camilleri u s-sinjuri nisa tagħna, li wkoll huma fil-kumitat bhala diretturi, ġejna mistiedna mill-*commodore* Denis Rouleau għal reception fuq l-*HMCS Athabaskan*, li kien jinsab wieqaf fil-Pinto Wharf, il-Belt. Dan huwa żgur rikonoxximent car kemm min-naħa ta' l-uffiċċju tal-Konsolat Kanadiż f'Malta u kemm min-naħa tal-kmandant fuq il-bastiment *HMCS Athabaskan*, li qed iservi fin-*Nato Maritime* ta' *Group One*. Tkunu tistgħu taraw xi ritratti u storja f'din l-istess harġa u ovvjament fuq il-websajt ta' l-assoċjazzjoni tagħna.

Hija x-xewqa tagħna li mmorru flimkien, kemm il-kumitat u kemm il-membri li jixtiequ jakkumpanjawna, biex nipprezentaw l-assoċjazzjoni tagħna lill-E.T. Mons. Mario Grech, isqof ġdid tagħna, fil-palazz tiegħu, liema ġurnata qegħdin nistennew li tiġi ffissata; imma kulhadd jaf kemm huma kbar l-impenji ta' l-Eċċellenza Tiegħu f'dawn il-jiem.

Għal-lum xejn iżjed. Mill-ġdid nerga' niringrazzjakom u nitlobkom tkomplu tissapportjaw lil din l-assoċjazzjoni, billi ggeddu s-shubija tagħkom u tattendu għall-attivitajiet tagħna, talinqas dik ta' darba f'sena, il- '*Canada Day in Gozo*', li tkun fl-1 ta' Lulju. Immarkawha fid-djarju tagħkom.

General Meeting February 12th 2006

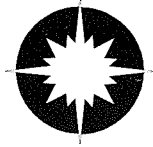

This year is our 10th anniversary and our General Meeting was held slightly different, twenty two members attended this meeting, not as much as the committee would like to see but definitely it was an encouragement from previous years. During this meeting it was suggested and approved that starting next year, the membership fee will go up to Lm4.00 for family and Lm3.00 for single. Nominations for the committee came in with no change with the exception of a new director Mr. Emanuel Tabone. We also received remarks that you the members are happy the way things are going, but the committee things that for the the good of the association we would like to see new members involved especially younger members, here I would like to encourage our members to involve their children by bringing them to our activities and it was nice to see the young onse at the General Meeting as you can see from the pictures.

IR-REBBIEGHA MAGHNA

Victor Formosa

Niftakar li meta kont l-iskola, u hawn qed immur lura 50 sena, kont dejjem nitlob li fl-eżami ta' l-Ingliż wiehed mit-temi tal-komponent ikun dwar ir-Rebbiegħa. Kull meta talbi kien jintlaqa' dejjem kont immur tajjeb fl-eżami. Għax meta titkellem dwar ir-Rebbiegħa trid titkellem dwar dak kollu li hu sabiħ fil-hajja w għalkemm il-hajja ta' madwarna hija mniġsa b'kull xorta ta' mard u problemi, xorta nsostni li l-hajja hi sabiħa thares lejha minn kull fejn thares lejha.

Hafna minnkom kienu msefrin bhali u fil-każ tagħna qed nitkellmu dwar il-Kanada fejn ix-Xitwa, kontra x-Xitwa tagħna, tista' tkun qalila. Nghid għalija, waħda mill-problemi kbar li kelli l-Kanada, jekk mhux l-unika waħda, kienet ix-Xitwa. Il-kesħa, is-silġ, it-tul ta' l-istaġun xitwi kienu tista' tgħid ir-raġuni ewlenija li għamlet id-deċizzjoni tagħna li niġu lura Malta aktar faċli. Li kieku x-Xitwa ma kinetx daqshekk kiefra u twila, naħseb li nkun qed nikteb dan l-artiklu minn Brampton. X'ma kontx nistenna r-Rebbiegħa! X'ma kontx nieħu gost nara s-siġar jibda jispona l-aħdar fuqhom! X'ma kontx niġri għal għand tal-pjanti halli nibda niżra l-fjuri!

Hawn Malta, għat-tajjeb u l-hażin, ma tantx għandna xi differenzi kbar bejn l-istaġuni għajr għax-xita ta' bejn Novembru u Frar u s-shana karga ta' Lulju w Awissu. Għaldaqshekk hawn m'hijjex daqstant kbira l-istennija tar-Rebbiegħa għalkemm xorta waħda nibdew nieħdu r-ruħ meta jibda jonqos il-bard u tonqos il-frekwenza tax-xita. Anke l-ħitan tad-djar tagħna jieħdu r-ruħ u nistgħu nibdew nifthu t-twieqi beraħ għaž-ziffa t'April qabel ma jibdew l-irjieħ ta' Mejju.

Naħseb li Għawdex hu eżempju ħaj tas-sbuħija tar-Rebbiegħa li ż-zomm il-kuluri sbieħ ta' l-għelieqi u l-widien li tant għandna minnhom qabel ma s-shana tas-Sajf tibda taħraq u tnixxef kollox qoxqox. Ftit ilu qrajt frazi li laqtitni u qlibtha għall-Malti w erfajtha fil-kompjuter. Kienet taqra hekk: "Jekk trid tara l-qawsalla, jkollok titqanna b'ħafna xita". U tassew hekk hu!

Jien daqsxejn għažżien di natura u għajr għal xi mixja ma' Joe u Rose Zammit meta niltaqgħu magħhom Marsalforn, is-sbuħija t'Għawdex naraha biss mit-tieqa tal-karozza. Xi snin ilu kelli l-opportunita' li ntir aktar minn darba fuq Għawdex fuq ajruplan zgħir u d-dehra minn hemm fuq hija xi ħaġa li ma ninsiha qatt u hija tassew ħasra li l-maġġoranża ta' l-Għawdxin qatt ma kellhom iċ-ċans jiṭpaxxew b'din id-dehra. Jiena nemmen li Għawdex huwa fl-isbaħ u fl-aqwa tiegħu bejn ix-xhur ta' Frar u Mejju meta dak kollu li hu sabiħ jaħbat ma wiċċek kull fejn tmur.

Qed nikteb f'jum il-Karnival mhedded il-hin kollu mill-maltemp u jumejn wara d-dizappunt ta' hafna Maltin li ppjanaw li jżuru Għawdex għall-jiem tal-Karnival u bejn minħabba l-maltemp u bejn li minn tliet vapuri kien qed jaħdem wiehed biss, kellhom iħabbtu wiċċhom ma' sriebet twal ta' karozzi. Hafna kienu dawki li qatgħu qalbhom u reggħu lura d-dar. Fir-Rebbiegħa ma tanx ikollna minn dawn, hux hekk? Daż-żmien jien u l-mara nitkellmu sikwit dwar meta jerġa' jmissna li niġu Għawdex u l-festa pubblika ta' Jum il-Helsien li din is-sena se taħbat il-Gimġha, hija tentazzjoni kbira u għal din it-tentazzjoni jien naqa' malajr. L-aħħar li konna hemm kien għall-ingress ta' Mons. Mario Grech, l-Isqof karizmatiku ġdid t'Għawdex. Minn hawn insellimlu mill-qalb u nawgurulu hidma sfieqa mal-merħla tiegħu. Ħudu ħsiebu u aħdmu miegħu.

Ftit qabel, semmejt frazi li kont sibt. Se nħallikom bi tnejn oħra li oġġbuni u ridt naqsamhom magħkom. L-ewwel waħda hi ta' Mahatma Ghandi: "L-ewwel jinjorawki, imbagħad jidhku bik, imbagħad jiġġieldulek u mbagħad tirbah int". It-tieni waħda hija ta' awtur mhux magħruf imma kien min kien zgur kien jaf xi jgħid: "Żomm tbissima fuq wiċċek u d-dinja tibqa' mistagħba biex inti kuntent", Inħallikom b'dik. Is-sliem.

Andrew Bugeja meets his hockey idol, the Montreal Canadians Saku Koivu #11

Andrew Bugeja is the grandson of Achilles and Nancy Attard members of this association. On January 28th while the Montreal Canadians were in Toronto, someone made arrangements for young Andrew to go and watch them practice. It was sure a memerable day for Andrew since he did not only watch his favourite team practice but had a picture taken with his favourite player, had his Habs Hockey Jersey autographed and Saku Koivu gave him one of his Hockey sticks. To top it all off that same day, while in Toronto they won the game against the Toronto Maple Leafs and Saku Koivu scored the winning goal. This is what his grandmother, Nancy, a Toronto Mape leaf fan, had to say "Should I be crying??? Hey if it made our Andrew happy I certainly won't shed any tears for the Leafs."
