

A contemporary version of Carmen

Moveo has officially announced its next production, which will be presented at the Teatru Manoel on the 3rd, 4th & 5th February.

The work is a Contemporary and Flamenco Dance adaptation of Bizet's oeuvre CARMEN.

For the first time, Moveo and Alegria Dance Company, in collaboration with Teatru Manoel, join forces to fuse Flamenco and Contemporary Dance to narrate this doomed romance.

What better way to portray the distinct characters of the fiery Carmen and the delicate nature of Michaela but through these two contrasting styles of dance?

Carmen will be performed on the 3-4-5 February at Teatru Manoel at 8pm, all to live music. Tickets available from www.booking.teatrumanoel.com.mt Tel:21246389
