The Commission subsequently locked and sealed each of the said 60 wooden boxes, fixed on each of the said 60 boxes a declaration signed by a member of the Commission showing the number of cases enclosed therein and placed the said 60 wooden boxes under its custody.

On the 29th day of December, 1968, that is the day fixed for the draw of the Seventy-Eighth Government Lottery the said Commission with Mr Joseph Grech as Chairman in representation of the aforesaid Acting Director of Public Lotto, who was unavoidably absent, having examined each of the said 60 wooden boxes and the declaration affixed on same and having found each and every one of them in order, caused them to be taken to the place fixed for the said draw, which was held at Saint James Ditch, Floriana, and carried out in the following manner.

The said sealed boxes were opened and the spherical cases contained therein were dropped into a cylindrical drum provided with apertures, which were subsequently firmly closed.

The spherical cases in the drum were then subjected to a mixing process by the electrical rotation of the drum for not less than three minutes.

Thereafter one of the persons detailed by the Commission for the purpose drew out at random from the said drum, through a porthole provided for this purpose, a spherical case, and the person or persons described in the counterfoil enclosed in the spherical
