The slimmest Ronson of them all—
THE NEW VARAFLAME ADONIS

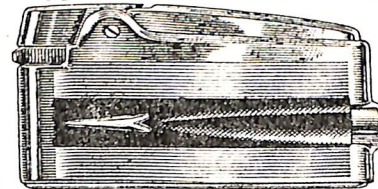

Meet the slimmest gas lighter in the world. It's the Ronson Varaflame Adonis. It fits flat in a man's pocket. Or slips neatly into a woman's handbag.

But don't let its slimmness deceive you! Cleverly concealed behind that elegant golden finish, there's a complete Varaflame Gas system.

How else could it light up a thousand times without refuelling? How else could it give you the famous Ronson flame that turns up or down to the height you want? How else could you refuel in just 5 seconds from a Ronson Multi-Fill?

This tiny miracle of a valve has made all this possible. And only Ronson know the secret.

Prices from 110/6d.

Why not become the proud owner of a Ronson Varaflame Adonis?

Notice the
'rare' on the label...

because J & B Rare Scotch is rare. Rare nonchalance of both flavour and finish. Rare colour . . . purest, palest topaz. Absolutely marvellous. Most unusual. You won't find it just anywhere, either. Only in the very best places. Naturally, they try to reserve it for the discriminating, the perceptive. Just ask for J & B. You'll see why.
