The slimmest Ronson of them all—
THE NEW VARAFLAME ADONIS

Meet the slimmest gas lighter in the world. It's the Ronson Varaflame Adonis. It fits flat in a man's pocket. Or slips neatly into a woman's handbag. But don't let its slimmess deceive you! Cleverly concealed behind that elegant golden finish, there's a complete Varaflame Gas system. How else could it light up a thousand times without refuelling? How else could it give you the famous Ronson flame that turns up or down to the height you want? How else could you refuel in just 5 seconds from a Ronson Multi-Fill?

This tiny miracle of a valve has made all this possible. And only Ronson know the secret.

Prices from 90/6

Why not become the proud owner of a Ronson Varaflame Adonis?
