The finest Swiss watchmakers created it as a model of precision and elegance.

Your jeweler can read a watch like an open book. Ask him about Hamilton quality — he knows it is the best.

For lasting value and fairest price, choose Hamilton. You could not make a wiser decision for all the hours of a lifetime.

IF A  
HAMILTON WATCH  
COULD SPEAK...

it would proudly tell you  
how carefully,  
how expertly it was made.
