THE GREATEST NAME IN CIGARETTES

In Malta, as in over 160 countries around the world, more and more people are choosing Rothmans King Size. The reason is not hard to find: quality that comes from extra length, a finer filter — and the best tobacco money can buy.

HEKK JIDHIRLEK? MELA HEKK HU!

“Cosi' è (se vi pare)” ta' Luigi Pirandello giet ipprezentata l-ewwel darba fit-teatru Olimpia ta' Milan fit-18 ta' Gunju 1917. Dan huwa meqjus bhala l-ewwel xoghol kbir teatrali ta' Pirandello. Huwa wkoll l-izjed xoghol li fih t'dher cara il-filosofija li dejjem zamm bhala bazi tax-xoghlijiet tal-palk tiegħu: dik — li verita' zgura ma tezistix; kull wiehed minnha jhoss il-bzonn li jinganna lilu n-nifsu l-hin kollu billi, bla ma jinduna, joħloq realta' (kulhadd waħda differenti u ma taqbilx ma ta' l-ieħor) u f'xi hin jew ieħor issir illużjoni u tispicča fix-xejn.

L-azzjoni ta' din il-“parabola”, kif isejhilha l-awtur, issir fid-dar tal-Kunsilier tal-Prefettura Agazzi f'belt zghira fi Sqallija. Is-sinjura Agazzi tkun imdaħħla sewwa fl-“alta società” u flimkien ma bintha tlaqqa ta' spiss fis-salott tagħha għadd ta' hbieb. Dawn jarblu bir-reqqa kollha kull ma jigri fil-belt zghira tagħhom. L-aħħar suggett favorit tas-seksik tagħhom huwa isur Ponza. L-impjegat il-gdid tal-Prefettura, li għadu kemm wasal minn raħal fil-qrib.

Dan il-bniedem stramb, fomm sieket u wiç id-dwejjaq jasal fil-belt ma martu u l-kunjata xwejha dejjem liebsa l-iswed u minflok ma marru joqgħodu f'dar waħda kif wiehed kien jis-tenna, kera appartement f'tarf il-belt għalih u għal mara, u ieħor fiç-centru tal-belt għal kunjata. Mhux biss, imma qafel il-mara f'darha u pprojbilha li tiltaqa ma ommha. B'hekk l-omm u l-bint ma jirnexxihomx jirkellmu hlief bil-moħbi, waħda mill-gallarija u l-oħra isfel fil-bitħa. Dan l-anqas hu gej minħabba li huwa miggieled max-xiħa għax imur jaraha darba jew darbtejn kull jum.

Is-Sinjuri Agazzi u hbiebhom tant imtlew bil-kurzita', wara li saru jafu b'sitwazzjoni bħal din, li baqgħu sakemm kelm l-ewwel lil-waħda mbağħad lill-ieħor. Hi tistqarr li dak ir-raġel hekk twajjeb tant tħawwad wara terrimot li kien qered ir-raħal tagħhom kollu, li haseb li tilef lill-martu f'dak id-diżastru, fil-waqt li dinha kienet f'dar tal-kura, u meta giet lura ma għarafhix. Biex jipperswaduh jeħodha miegħu kellhom taparsi jerggħu jzewgħu. Għalhekk huwa konvint li huwa armel u reġa' żzewweg it-tieni darba.

Ponza minflok iġhid li l-ewwel mara tiegħu tassew mietet fit-terremot u li ommha, hekk twajba gġennet bil-għali u meta reġa' żzewweg hi daħħlet f'rasha li dik kienet bintha.

It-tnejn jirkellmu b'konvinzjoni u loġika hekk perfetta li kull min jinsmaħhom jirkellmu ma jafx lil min ser jaqbad jemmen. Dokumenti ma hemmx għax kollox inqered bit-terremot. Liema hija, mela, il-verità?

THE BRITISH HOTEL AND RESTAURANT

*Drink
British
everyone
else does*

One of Britain's most enduring and endearing influences has been the spreading of the custom of drinking Gordon's. Throughout the world more people drink Gordon's than any other gin, because it is—smoother, lighter, crystal clear and incredibly dry.
