Presents

A Vocal & Instrumental Concert

By

THE MANOEL THEATRE ORCHESTRA

and

THE CHORUS MELITENSIS

Conductor:

JOSEPH SAMMUT

Under the Distinguished Patronage of

**Their Excellencies The GOVERNOR-GENERAL
and LADY DORMAN**

**SUNDAY, 17th MAY, 1970
at 7.30 p.m.**

We have the teremity to

BLOW OUR OWN TRUMPET

The **PHOENICIA LAUNDRY** has been operating for more than seventeen years.

It started with the most up-to-date machinery and has remained up-to-date by building expansion and regular plant additions to meet the ever-increasing demand.

Our **DRY CLEANING** department is several years younger but its success has been none the less remarkable.

Its machine capacity has already been trebled to speed up deliveries.

In these days when the development of local industry is in the forefront of the news we take pride in stating that the **PHOENICIA LAUNDRY** and **DRY CLEANING** departments give employment to 76 operatives

Buying a tape recorder? **STOP!** First look for the frequency response!

 Only a recorder with a wide frequency response can capture and reproduce the wide range of low, medium and high frequency notes music consists of.

PHILIPS

Philips recorders offer better frequency response, better sound quality than other brands of similar cost. And by the way: they look better!
