**Some useful hints
for DIXAN
the final answer to all
washing problems**

Here's the easiest and safest way to obtain the best washing results whether by machine, boiler, or by hand. Just follow the DIXAN formula. Easy as ABC.

**DIXAN CAN HANDLE
ANY WASHING
PROBLEM**

Automatically controlled suds: that is just the right amount of suds for cold water, just the right amount of suds for hot water.

DIXAN provides just the right amount of suds for the best wash.

**DIXAN HAS A SPECIAL ACTIVE
OXYGEN WHITENER**

This bleaches your wash producing an unrivalled whiteness.

**DIXAN HAS TWO SPECIAL
BRIGHTENERS**

The first brightener gives brilliant whiteness. The second brightener gives you an extra brightness. Together they give you a whiteness beyond compare.

Once again DIXAN shows its versatility - this time with coloureds.

Here DIXAN adjusts its suds to luke warm water to give your fine fabrics the care they deserve.

**DIXAN WITH
WATER-SOFTENER
MAKES ANY
WATER AS SOFT AS RAIN**

DIXAN launders your whites and coloureds as well as delicate fabrics and synthetics in one thorough and spotlessly clean wash. Feel for yourself the results of DIXAN's built in water softener, and come to expect that fresh washday smell.

**One of the great hotels of
the Mediterranean**

The Phoenicia is one of the great hotels of the Mediterranean. Just beyond the city boundaries of ancient Valletta, it looks out over two harbours, and is encircled by the Floriana gardens.

Every room has its own bathroom, telephone, air-conditioning and radio, with television on request.

Six suites cater for all conference requirements; they include the unique 'Green Lounges' and a ballroom with a reception capacity of 1200.

There are two top-class restaurants and three bars; the cuisine is outstanding and there is a well-stocked wine-cellar.
