PROGRAMM

SUITE

ROSAMUNDE

SCHUBERT

Dan il-Preludju mużikali li għandu hlewwa li tgħaxxaq, mhux dak li ndaqq fl-1823. Dak li ndaqq f'din is-sena hu l-preludju li bih tiftaħ l-opra Alfonso u Estrella fil-waqt li l-preludju li llum kullhadd jafu bl-isem ta' Rosamunde kien inkiteb originarjament minn Schubert għall-opra mużikali "Dei Zauberharfe" — dan kien instama' mill-pubbliku l-ewwel darba fl-1820 fit-Teatru "Theatre-an-der-Wien". Xejn anqas minn dan il-preludju ma jhallu msaħħar il-bćejjeċ mużikali tal-Ballet li ta t-tielet Entracte. Schubert kien inqeda bil-motiv tagħhom sewwa għad-daqq ta' kwartett — A Minor — kemm għad-daqq tal-pjanu "Impromptu".

SINFONIJA Nru. 104 D MAJOR (THE LONDON)

HAYDN

adagio — allegro — andante — minuetto — allegro — finale spiritoso

Minkejja li Haydn kien kiteb mhux anqas minn tnax-il Sinfonija f'Londra jew għal Londra, b'danakollu dik li ggib l-isem ta' "London Symphony" tfakkrek fl-isem ta' din il-belt kapitali. Għax tgħid, din kienet l-aħħar sinfonija miktuba minn Haydn. Din is-Sinfonija kienet komposta fl-1795 u ndaqqet fl-istess sena. Il-flus li ngabru minnha kienu wara tqassmu f'għamliet ta' għajjnuna.

IT-TALBA GĦAL MALTA (Versi ta' Anton Buttigieg)

C. PACE

Ippreżentata mill-Awtur stess

F'dan ix-xogħol gdid, il-poeta joffri 'l Alla t-talba tiegħu u jitolbu biex iħares lil pajjiżu u jseddqu fis-sliem u l-paċi. Ta' min isemmi li dan ix-xogħol gie mnebbah minn żjara li għamel il-poeta dan l-aħħar f'wahda mill-bosta kappelli żgħar fil-kampanja.

TIENI MOVIMENT MIS-SINFONIJA Nru. 9 E MINOR
(NEW WORLD) OP. 95

largo

DVORAK

Matul iż-żmien li Dvorak għex l-Amerika, il-kittieb mużikali Krehbiel webblu bil-mużika tas-Suwed Amerikani. Lil Dvorak din il-mużika laqtitu; għalhekk, fil-kompożizzjonijiet tiegħu beda jinqeda bl-istil tagħha u jdaħħal minnha xejriet kif jidhirlu. Hawn nisimgħu daqq ta' kordi li għandhom bħala sfond, id-daqq sieket ta' l-Oboe. Fl-istess hin, nota waħdanija u ma taqta' xejn tal-kornu tispiċċa biex tingħaqad mad-daqq tal-flawt u ta' l-oboe u, wara, mad-daqq għoli fit-ton tal-kordi. In-noti mgħaġġlin ta' l-oboe, flawt, u klarinett huma karatteristiċi tal-mużika li biha jimpressjonana.

SUITE No. 2 — L-ARLESIENNE

BIZET

Pastorale — Intermezzo — Minuetto — Farandole

Alexander Cesar-Leopold, magħruf bl-isem ta' George Bizet twieled Pariġi. Wara li studja fil-Konservatorju ta' Pariġi, Bizet rebaħ il-premjju li jgib l-isem ta' "Prix de Rome", fl-1857. L-ewwel opira tiegħu li għamlet isem kienet "Les Pictreurs de Perles". Wara din hargu għad-dawl opri oħra, iżda ma kienx qabel is-sena 1872 li Bizet ta lid-dinja l-kapulavur tiegħu mużikali li bih il-lum hu l-aktar imsemmi jgħifieri l-opra "Carmen". Din l-opra instemgħet l-ewwel darba fl-Opera Comique ta' Pariġi fl-1875 u kienet milqugħa b'nofs hegga. Bizet miet f'Gunju ta' dik is-sena — hu kien miet kmieni wisq biex ikun jista' jara l-opra li l-aktar kellu għal qalbu milqugħa mid-dinja kollha bħala xogħol mużikali ta' mgħallem.

MEMORANDUM FOR THE RECORD

DATE

On the 1st day of June, 1954, the following information was received from the Bureau of the Census, Washington, D. C. The Bureau has advised that the total number of persons in the United States who are over 65 years of age is approximately 15,000,000. This represents an increase of about 1,000,000 over the total number of persons over 65 years of age in 1950. The Bureau also reports that the number of persons over 65 years of age who are living in institutions is approximately 1,500,000. This represents an increase of about 200,000 over the number of persons over 65 years of age who are living in institutions in 1950. The Bureau further reports that the number of persons over 65 years of age who are living in private homes is approximately 13,500,000. This represents an increase of about 800,000 over the number of persons over 65 years of age who are living in private homes in 1950. The Bureau also reports that the number of persons over 65 years of age who are living in nursing homes is approximately 1,000,000. This represents an increase of about 100,000 over the number of persons over 65 years of age who are living in nursing homes in 1950. The Bureau further reports that the number of persons over 65 years of age who are living in old age homes is approximately 500,000. This represents an increase of about 50,000 over the number of persons over 65 years of age who are living in old age homes in 1950. The Bureau also reports that the number of persons over 65 years of age who are living in other types of institutions is approximately 500,000. This represents an increase of about 50,000 over the number of persons over 65 years of age who are living in other types of institutions in 1950. The Bureau further reports that the number of persons over 65 years of age who are living in private homes is approximately 13,500,000. This represents an increase of about 800,000 over the number of persons over 65 years of age who are living in private homes in 1950.
