The Friendly Way to Fly

Air Malta flies, from London, Manchester, Amsterdam, Brussels, Paris, Rome, Frankfurt and Tripoli.

Air Malta's crew are an experienced international group. Pilots come from Britain, Scandinavia and Pakistan. Cabin Crews are exclusively Maltese, some of whom have already had many years flying experience, and all of whom are ready to give you a traditionally warm Maltese welcome as soon as you step aboard.

PROGRAMME

OVERTURE

WEBER

PETER SCHMOLL OP. 8

German composer Carl Maria von Weber was a pupil of Haydn and Vogler and later became a conductor and pianist. He is regarded as a great exponent of the German romantic opera. His "Der Freischutz" remains his most outstanding musical achievement.

The Overture to his other opera "Peter Schmall" produced in 1803 is also sometimes heard.

WANDERING THOUGHTS

CHIRCOP

This piece of music shows the different states of the human mind. This is a modern piece of music and in a new style. Because of the many modulations, all parts are written in one key.

Wandering Thoughts is divided into three parts:-

The opening theme is very sentimental with deep feeling as if the human mind is seeing the harmony of life around it.

In part one, though, these thoughts tend to get distorted as if by some outside force. Gradually they become sentimental again.

In part two, the music is more romantic.

Part three, features "Con Fuoco" in which the mind becomes distorted. The climax of the music shows the pressures on the human mind slowly, serenity wins through.

The last two bars are very deeply relaxed to show that the human mind is enjoying complete tranquillity.

PETITE SUITE DE CONCERT Op. 77

COLERIDGE-TAYLOR

Le Caprice de Nanette; Demande et Reponse; Un Sonnet d'Amour;

La Tarantelle Fretillante.

Samuel Coleridge-Taylor was the son of a full-blooded negro physician of West Africa and an English mother. His works are expressive and impassioned in style. His cantata "Hiawatha", in several parts, shows much beauty. Other vocal-orchestral works by him are an oratorio, "The Atonement", the cantata "Endymion's dream", and "A tale of old Japan". His orchestral works consist of a solemn Prelude, the Herod music, and other numbers. He composed also effective song and piano pieces, and violin works.

BALLET MUSIC FROM THE OPERA FAUST

GOUNOD

It took Gounod two years to write Faust, which was the successor of a series of Operas, all of them failures. One critic called the Opera an experiment that had failed, and not a publisher would at first risk issuing it. In time, however, an enterprising publisher named Choudens decided to issue it; and to his amazement the published opera earned more than three million francs profit within a few years.

I N T E R V A L

SYMPHONY No. 5 IN C MINOR OP 67

BEETHOVEN

Allegro con brio — Andante con moto — Allegro — Allegro.

The opening subject is only two bars in length, four notes to each bar; yet out of this brief subject and a counter subject lyric in character Beethoven builds music of breath-taking proportions, inevitable in its logic, overpowering in its force and strength. The second movement is a set of variations on a beautiful extended melodic subject, the Titanic struggle of the first movement has ended, to be succeeded by the peace that comes with resignation.

The third movement introduced by a brooding theme in the basses and cellos is a Scherzo whose principal theme retains the rhythm of the "Fate" subject of the first movement. In the trio of this Scherzo, Beethoven's writing for the double bass — it endows that clumsy fellow with a dexterity he never knew before, contributes a gentle note of mockery to the movement. The closing movement is a magnificent affirmation of the spirit, the announcement of the triumph that rewards the acceptance of one's inevitable fate, promulgated majestically by three trombones.

THERE'S MORE THAN ONE WAY OF CARRYING MONEY ON YOU

But there's one sure way of doing so safely.

Already thousands of men and women know this and have opened a current account with their local Bank of Valletta branch.

Many on receipt of their pay keep enough for their day to day requirements and deposit the rest at the bank to pay the larger and less regular bills by cheque.

This way, or rather by using the cheque book, they have no need to carry large sums of money around and risk losing them. Besides, they eliminate having to run about and queue up. What's more, it is easier still to deposit a cheque made payable to you.

See your local Bank of Valletta branch Manager and ask about opening a current account.
