PROGRAMME

FINLANDIA

Poema sinfonico
(Orchestra)

SIBELIUS

TOSCA

Vissi d'arte
(Soprano Lane)

PUCCINI

Finlandia was composed in 1899 but was revised before being published as an independent work the following year. Besides being the first piece to make the composer's name known the world over, it also assumed tremendous national significance for those were the days of Tsarist Russian oppression in Finland. Sibelius biographer Karl Ekman has said that Finlandia was of greater value to the national cause than were thousands of pamphlets and newspaper articles. Although having no text and does not follow any literary programme, this work was banned for political reasons. The Finns' answer to this was to continue to perform it under a different title ("Prelude").

RIGOLETTO

La donna è mobile
(Tenore Saldari)

BELLINI

LA WALLY

'A sera' — Preludio Atto III
(Orchestra)

Catalani

La Boheme in four acts on a text by Giacosa and Illica after Henri Murger's novel "Scenes de la Vie de Boheme" (serially 1847 - 9) was produced in Turin at the Teatro Regio on 1st February 1896 under Toscanini.

La Boheme is a picture of happy-go-lucky artist in the Latin Quarter of Paris, with its lights and shadows comedies and tragedies. It is considered by many Puccini's finest score.

Golf~the V.W. compact

Great car, great performance, great fun.

The Golf is a new car that opens up new dimensions. It is one of the widest and shortest cars in its class. And yet it is a fully-fledged saloon. With four doors. With a spacious interior that easily accommodates five people. With a 350-litre boot that can be doubled to 698 litres in a jiffy. With a large fifth door at the back that makes loading and unloading child's play. One reason why the Golf is so compact in spite of its roominess lies under the bonnet. It has an OHC engine that saves space because it is transversely mounted. It comes with 50 or 70 BHP. And it can do 40 MPG. The Golf gives you a lot of car and a lot of performance. You should have a lot of fun with it, too. Come for a test-drive

The Friendly Way to Fly

Air Malta flies, from London,
Manchester, Amsterdam, Brussels,
Paris, Rome, Frankfurt and
Tripoli.

Air Malta's crew are an
experienced international group.
Pilots come from Britain,
Scandinavia and Pakistan.
Cabin Crews are exclusively
Maltese, some of whom have
already had many years flying
experience, and all of whom are
ready to give you a traditionally
warm Maltese welcome as soon
as you step aboard.

THERE'S MORE THAN ONE WAY OF CARRYING MONEY ON YOU

But there's one sure way of doing so safely.

Already thousands of men and women know this and have opened a current account with their local Bank of Valletta branch.

Many on receipt of their pay keep enough for their day to day requirements and deposit the rest at the bank to pay the larger and less regular bills by cheque.

This way, or rather by using the cheque book, they have no need to carry large sums of money around and risk losing them. Besides, they eliminate having to run about and queue up. What's more, it is easier still to deposit a cheque made payable to you.

See your local Bank of Valletta branch Manager and ask about opening a current account.
