# THERE'S MORE THAN ONE WAY OF CARRYING MONEY ON YOU

But there's one sure way of doing so safely. Already thousands of men and women know this and have opened a current account with their local Bank of Valletta branch. Many on receipt of their pay keep enough for their day to day requirements and deposit the rest at the bank to pay the larger and less regular bills by cheque. This way, or rather by using the cheque book, they have no need to carry large sums of money around and risk losing them. Besides, they eliminate having to run about and queue up. What's more, it is easier still to deposit a cheque made payable to you. See your local Bank of Valletta branch Manager and ask about opening a current account.
