### ADVISER TO THE MANOEL THEATRE

THE HON. DR. DANIEL PISCOPO, B.Sc., M.D., M.P.

### Antonio Manoel De Vilhena

Grand Master *Antonio Manoel de Vilhena*, a Portuguese, was elected Grand Master in 1722. A man of great intellectual qualities, he was popular with all, and "savoir faire" earned him everyone's love.

At the beginning of his reign, fearing a second Turkish invasion of Malta, he promptly took steps for such an eventuality, and the enemy, seeing his preparedness, sailed away without even attempting a landing.

Having fortified the Island, he began to find ways and means to encourage civil enterprise, and in the political field he managed to negotiate a treaty of peace with the Sultan of Constantinople.

As a befitting gesture towards the People of Malta, he built in 1732 the Manoel Theatre, a living monument to his achievements, which keeps his memory fresh and glorious in all those that cultivate the Arts and all those who seek an honest recreation, as the Theatre's motto implies: "*Ad honestatem populi oblectationem.*"
