Dan il-frażarju bilingwi hu qabelxejn maħsub għall-impjegati tal-ajruport u għall-membri tal-ekwipaġġ tal-ajru. Kemm jekk xogħlok fuq l-ajruplan u kemm jekk taħdem l-ajruport, fl-industrija tal-avjazzjoni jiswielek li tikkomunika b'mod effettiv. Din il-gwida Prattika tfasslet biex fiha ssib il-kliem u l-aktar frażijiet utli bil-Malti li jkollok bżonn f'xogħlok. Il-frażarju jkopri ħafna oqsma, mill-protokoll tas-sigurtà sal-għajnuna lill-passiġġieri, u għandu jservik ta' referenza għall-komunikazzjoni bil-Malti mal-passiġġieri u l-kollegi.

Il-pubblikazzjoni hi maqsuma fi tmien partijiet li jidhlu f'aspetti differenti tal-ħidma fl-avjazzjoni: L-ajruport, Fuq l-ajruplan, Ikel u xorb, Ogġetti personali, Nies, Għajnuna, Frażijiet utli, u Mistoqsijiet. Il-kliem ewlieni hu mniżżel ukoll f'lista komda fuq wara tal-ktieb, imqassma alfabetikament, mill-Ingliż għall-Malti.

Minbarra din il-verżjoni stampata, fis-sit [www.malti.mt/learnmaltese](http://www.malti.mt/learnmaltese) ssib il-kliem u l-espressjonijiet kollha moqrija. Dan jgħin lil min ikun qed jitgħallem il-Malti biex jippronunzjah aħjar u jifhmu aktar.

Din ir-rizorsa hija ħolqa minn sensiela maħsuba mid-Dipartiment tal-Malti fl-Università għal diversi professjonisti u l-pubbliku ġenerali li jaħdmu f'Malta u jixtiequ jithaddtu bil-Malti. Kemm jekk għadek tasal fostna u kemm jekk inti membru tal-ekwipaġġ li waqgħetlek żokortok f'dan is-settur, dan il-frażarju għandu jgħinek tikkomunika aħjar bil-Malti fid-dinja tal-avjazzjoni. **Il-vjaġġ it-tajjeb!**

# FOREWORD

This bilingual phrasebook is primarily intended for cabin and ground crew members. Whether you are soaring through the skies or ensuring smooth operations on the ground, effective communication is paramount in the aviation industry. This handy guide is designed to equip you with essential words and phrases in Maltese. From safety protocols to passenger assistance, this phrasebook is your go-to resource for communication in Maltese with passengers and colleagues.

This publication is organised into eight sections, covering different aspects of cabin and ground crew duties: At the airport, On the aeroplane, Food and drinks, Belongings, People, Assistance, Useful phrases, and Questions. All the key words are conveniently listed alphabetically at the back of the book in English and Maltese.

In addition to the printed guide, in the companion website [www.malti.mt/learnmaltese](http://www.malti.mt/learnmaltese) you can find all the words and expressions featured in the book, along with a sound clip for each to help you with your pronunciation and comprehension.

This resource is part of a series developed by the Department of Maltese at the University of Malta to facilitate language learning for various professionals as well as the general public. Whether you are a newcomer or an experienced crew member, this phrasebook serves as your reliable companion for effective communication in Maltese in the world of aviation. **Il-vjaġġ it-tajeb!**
