

From the Editor

Students' Philosophical Society (SPS) is a University of Malta student organisation whose aim is to encourage students to examine themselves and reality through the art of questioning. We emphasise knowledge for its own sake, and provide the opportunity for students to explore their thoughts and ideas.

Our efforts are epitomised through the publication of our annual philosophy journal, *Threads*. The Executive Committee 2014/2015 is pleased to be publishing the 3rd Issue of this student journal, presenting the thoughts and arguments of both undergraduate and postgraduate philosophy students and alumni.

The Executive Committee would like to thank all the contributors to this year's edition of *Threads*, including Gabriel Zammit for his contributions to the organisation; and Adrian Abela for the illustrations found throughout this issue. We hope our readers enjoy this compilation of articles delving into various facets of the discipline.
