**No. 49 - 3/2012**

We are very happy to be able to present this special issue - ideally, an introduction to the next, commemorative, 50th .

This is a **COMPLETE CATALOGUE** of all GPS Productions, whether Covers, Cards or whatever - updated to August 2012.

We do appreciate that even non-philatelists consider them interesting, meriting inclusion in Melitensia collections - thanks especially to Anthony Grech's excellent draughtsmanship.

It was possible to feature most of them within the EcoGozo-supported "Isle of Joy" book and we have lately begun showing the most recent on the Newsletter cover; but we hope this present catalogue, due to its exhaustiveness and format, will be welcomed as a sort of gift offered to all members.

Unfortunately most of these items are long out of stock (and some have actually been seen on shopping websites at multiples of the original price!) But anyone interested in enquiring about availability - or getting a subscription for new items - can contact the Secretary (or Anthony at [linton3@go.net.mt](mailto:linton3@go.net.mt)).
