RE: Invoice for sponsorship for the play "Il-Kaxxa"

Dear Ms Carey

Further to our conversation, I am forwarding you a copy of your fax to Russell Muscat dated 24 September 1997. Russell is not in charge of the PR of Aleateia Theatre Group any more and therefore I am taking over where he left off.

Enclosed please find two copies of the programme for the play *Il-Kaxxa*. We followed all the other terms and conditions listed in your fax.

The total amount due for the sponsorship is of Lm75.

Thankyou for believing in our work and sponsoring last year's production. Without such help it would be virtually impossible for us to continue producing theatrical performances.

Best Regards

Simon Bartolo
Director - Aleateia
