<sup>\*</sup> Note: Students registered for two or more courses concurrently are shown in the senior course as follows:

<sup>(1)</sup> Students registered for Lic.D. and B.A. or InterArts are shown under 'Theology'

<sup>(2)</sup> Students registered for LL.D. and B.A. are shown under "Laws"

<sup>(3)</sup> Students registered for M.D. and B.Sc. and/or B.Pharm. are shown under "Medicine" and "Surgery"

<sup>(4)</sup> Students registered for a degree in Engineering and Architecture and B.Sc. are shown under 'Engineering and Architecture'

<sup>(5)</sup> Students registered for Inter Arts or B.A. and L.P. are shown under 'Arts'

<sup>(6)</sup> Students registered for B.Ch.D. and B.Pharm. are shown under Dental Surgery

ADMISSION OF REGULAR STUDENTS DURING THE ACADEMIC YEARS: 1962/63 - 1964/65

Table 93.

| Date of Entrance                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |      | 1962/63 |    |              | 1963/64          |             |            | 1964/65 |     |

#### PART III. SCHOOL LEAVERS

HEADTRACHERS are requested to give the following particulars on those pupils who left school between the 16th July, 1965 and the 14th September, 1965 i.e. during the long vacation before the current school year.

VERY IMPORTANT. In this Section please include also those pupils who had completed course or were proceeding to another school at the end of the last school year.
