EXPORTS MEAN JOBS

Maltese companies' exports outside the EU are worth €2 billion a year. And this keeps the Maltese busy...

- Exports from Malta to countries outside the EU support over **32,000** jobs in Malta.
- Another **5,000** Maltese are in jobs linked to exports from other EU countries to countries outside the EU.
- This means **1 in 5 jobs** in Malta depend on EU exports.
- Maltese exports to countries outside the EU also support over **8,000** jobs in the rest of the EU.
- Exports create **opportunities for everyone**.

In Malta, most people in export-related jobs are **low-skilled** workers.

75 % of export-related jobs in Malta are in the services sector.

Exports keeps Maltese services strong.
