The Brandstätter Group - Malta has been producing Playmobil locally for over two decades. The global success of this product has resulted in significant growth and diversification of the Group, which now consists of seven companies. With each specialising in its own field and producing a comprehensive range of diverse products from steel moulds to system software. Of course the same high levels of quality and service that has come to be expected of Playmobil are offered by all of the companies that form the Brandstätter Group - Malta.
