

We are Forty years old.

Some of the members at the 40th Anniversary dinner

The Malta Philatelic Society was born in March 2006, because of the initiative undertaken by L.Frank, B.Darmanin, Dr C.G.Cassar, Dr J.H. Mercieca, Dr J.Soler, Mr C.Whelpdale, Dr A Ganado and A. Fenech.

The aim was to bring together Maltese philatelists together, for discussions, lectures, shows, and exchanges.

From this humble beginning our members have participated in F.I.P Exhibitions and have been awarded Large Gold, Gold, Large Vermeil medals. Our Journal has been awarded Silver in Chicagopex 2002, 4 & 5.

Since 2000 we have held a yearly MALTEX Exhibition, which has proved to be a great success.

Our Society meets on the first Monday of each month, and foreign Members have been invited to give a display cum talk of their proud possessions.

We have established a very good relationship with the UK Malta Study Circle, and our Members will be visiting them in Oxford, when they will be celebrating their Golden Jubilee in May this year. They will be visiting us during Maltex 2006 next October. The Journal is distributed free of charge to members, and our membership rates are very modest. These are:
