## Corinthia Group Prize in Paediatrics, 2021

The Corinthia Group Prize in Paediatrics for 2021 was awarded to Dr Sara Rapa, who obtained the highest aggregate mark over the combined examinations in Paediatrics in the fourth and final year of the undergraduate course. Whilst offering our congratulations to Dr Rapa, we would also like to congratulate all those who performed admirably during the undergraduate course in Paediatrics. In the accompanying photograph, Dr Rapa is seen receiving her prize from Professor Simon Attard Montalto, Head of Paediatrics, both complying with COVID 19 regulations! Finally, the Academic Department of Paediatrics and Medical School remain indebted and are extremely grateful to the Corinthia Group for their ongoing support.
