

ACTION PLAN

Indicate what action/s will be taken to address the identified recommendations. Adopt [SMART goals](#) to guide you in this process.

Recommendations <i>(These emerge from the PPR process)</i>	Response/Action <i>(State how you will be addressing the recommendation)</i>	Timeframe <i>(Month/Year)</i>
1.		
2.		
3.		
Any other actions <i>(FICS may add any other actions not directly related to the identified recommendations but which are deemed beneficial to the overall enhancement of the programme)</i>
