

**3<sup>rd</sup> August 2021**

**EduAI Summer School at the Qawra Primary School**

**Participants:** 5 children, 4 boys and 1 girl. 3 children were from a Year 4 class and the other two children were from a Year 5 and a Year 6 class.

**Lesson:** from 9:00 till 11:00. We spent about 40 minutes on the reading of the story with the children interacting and the reading animator made sure that they understood the story. The remaining time was spent on the AI activities. All the activities were covered.

The sessions involved the reading of the fun, interactive, AI-powered story: "You can't take an Elephant on the Bus". The remaining time was spent on the AI literacy activities, involving text to speech and speech to text interaction and vocabulary acquisition and development.
