SECTION 1B – THEMATIC PROJECT WORK

Candidates are required to choose ONE starting point from the following list:

1. **Rays of light** passing through blinds, transparent curtains, coloured glass, foliage etc. transform and distort the objects on which they fall. Use these starting points as stimuli to create a composition of your own.
2. **Covid-19** struck hard at an old description of the human being as a social animal. Produce work in response to this statement.
3. **'Pandora's box'**. The Ancient Greek myth of Pandora who opened the jar left in her care still finds its parallelism in our contemporary world. Produce work that is inspired by your personal response to this tragic and eye-opening myth.
4. **At the pizzeria...** the *pizzaiolo* at work. Compose a work which captures the appealing atmosphere during the preparation of a traditional pizza.
5. **Kennels** offer shelter for dogs, cats and other animals. Illustrate the chaotic environment of an animal shelter during mealtimes.
6. **Parked bicycles** present the viewer with a juxtaposition of coloured tubes, wheels and spokes. Create a semi-abstract composition based on your studies.

Emphasis should be placed on investigative research and the development and realisation of ideas.

The Thematic Project Work must include **ONE** final piece as well as other preparatory studies. The work presented must show the candidates' focused investigation, development, critical analysis and realisation of the selected theme. The preparatory work may also suggest other valid directions of investigation of the chosen theme.

Candidates are required to communicate their understanding and thinking process through integrated images and brief annotations.

All work pertaining to the Thematic Project (final piece, research, preparatory studies, etc.) must be presented on **FOUR** A2 sheets (420 mm x 594 mm). The works and the relevant annotations can either be carried out directly or pasted onto the presentation sheets. Photographs which document large works, three-dimensional works, installations and other works can also be included. The candidates may use their discretion as to whether to use one or both sides of each of the said sheets. The sheets should be clearly marked and numbered accordingly.
