Right 3: _____

Outline: _____

_____ (2)

Right 4: _____

Outline: _____

_____ (2)

Question 7

C4 (6 marks)

Choose **TWO** principles from the list below and discuss how these **TWO** principles in Health and Social Care can promote the individual rights of service users.

Six Principles:

1. As a social service worker, you must protect the rights and promote the interests of service users and their relatives/carers.
2. As a social service worker, you must strive to establish and maintain the trust and confidence of service users and their relatives/carers.
3. As a social service worker, you must promote the independence of service users while protecting them as far as possible from danger or harm.
4. As a social service worker, you must understand the need for service users to take appropriate risks that are necessary for their self-development and wellbeing, whilst seeking to ensure that their behaviour does not harm themselves or other people.
5. As a social service worker, you must uphold public trust and confidence in social care services.
6. As a social service worker, you must be accountable for the quality of your work and take responsibility for maintaining and improving your knowledge and skills.

Principle number: _____

Discuss how this principle is related to the promotion of individual rights:

(3)

Principle number: _____

Discuss how this principle is related to the promotion of individual rights:

(3)
