From:	Dario Pirotta Director, MATSEC
To:	College Principals Heads of School
Subject:	Advanced Level Computing -Programming Task 2024 session [2nd year students]
Date:	3 October 2023

The AM Computing programming Task 3 date for candidates sitting their exam in the 2024 session will be as follows:

Practical Task 3 – 7th February 2024

Schools/Colleges are requested to supply MATSEC via email [coursework.matsec@um.edu.mt] any changes to the list of students sitting for practical task 3 (resignations, change in lab, etc.) by Friday 22nd December 2023. The test shall start at 10:00 am. Schools/ Colleges are to inform MATSEC in writing in case there are individuals who require access arrangements during this task.

Candidates who will be resitting AM Computing in 2024 can have their Computing tasks' mark transferred from the 2020 and 2023 sessions only. Schools/Colleges who have resitting candidates and who wish to resit all tasks this year, have to send their registration details for all three tasks by Friday 22nd December 2023 by sending an email to MATSEC on coursework.matsec@um.edu.mt.

All candidates will be required to register for the written exam as per normal procedure.
