

5th October 2016

Dear Head of School,

The SEC regulations give the opportunity to students who are studying a vocational subject and failed to pass from a Unit to sit for a synoptic assessment. The registration dates for the synoptic assessment were Monday 3rd and Tuesday 4th October 2016. Students may also sit for another synoptic assessment in 2017 if they fail this synoptic assessment.

May I therefore kindly ask you to bring to the attention of students studying vocational subjects and their teachers that according to the VET Policy Document students who do not register and sit for the synoptic assessment shall not be eligible to sit for the synoptic in 2017.

Such students will only be eligible to get a grade 6 or 7 if they pass the other two units. Students who did not register for the synoptic assessment are asked to contact us at the earliest or register this Monday 10th October at the MATSEC Support Unit or the Gozo Examination Centre between 8:00am - 12:00pm and 1:30pm - 4:00pm. The late application fee is € 70, the Synoptic Assessment Fee is €21 and the Synoptic Assessment Registration Fee is €15.

We thank you for your co-operation.

Kind regards,

MATSEC Support Unit
