| <b>Tuesday 16<sup>th</sup> May 2023</b>   | Retail  |

SEC Unit 3 controlled assessment dates, as communicated at the beginning of this scholastic year, are also available within the *Main Examination Session Timetable 2023*. This document can be accessed from <https://www.um.edu.mt/matsec/timetables>.

All assessments are to start at **10.00 am** and are 90 minutes long.

You are kindly asked to take all the provisions necessary for the smooth running of these assessments in your school. Invigilators and support staff required for access arrangements will be provided by the Examinations Department. MATSEC will be communicating accommodation details to Heads of School in due time.

May we remind you that school teachers are not to invigilate their students. Similarly, LSEs who are assigned to VET students during the scholastic year, are not to stay with them during these assessments.

Thank you for your co-operation.
