Subject: Advanced Level Computing -Programming Task 2023 session [2nd year students]

Date: 6th October 2022

The AM Computing programming task 3 date for candidates sitting their exam in the 2023 session will be as follows:

Practical Task 3 – 8th February 2023

Schools/Colleges are requested to supply MATSEC via email [coursework.matsec@um.edu.mt] any changes to the list of students sitting for practical task 3 and also the list of students per lab and their details [Name, Surname and ID Card] by Tuesday 15th November 2022. All tests shall start at 10:00 am. Schools/ Colleges are to inform MATSEC in writing in case there are individuals who require access arrangements during this task.

Candidates who will be resitting AM Computing in 2023 cannot have their Computing tasks' mark transferred from the 2021 and 2022 sessions to the 2023 session. Resitting candidates who wish to sit for all tasks this year, have to register for all three tasks by Wednesday 30th November 2022 by sending an email to MATSEC on matsec@um.edu.mt. All candidates will be required to register for the written exam as per normal procedure.
