Kindly note the following in relation to SEC 44 Fashion and Textiles Controlled Assessment Marking Schemes:

Unit 1 – Question 1 – C-1, MQF3

The allocation of marks (fourth column of the Marking Scheme) should be amended as follows:

Award 1 mark for correctly compared similarity and 1 mark for correctly contrasted difference between the Manufacture sector and the Retail sector.

Unit 1 – Question 5 – K-10, MQF3

In the allocation of marks (fourth column of the Marking Scheme) the sentence 'Marks should only be awarded if the entire process is correctly outlined and Health and Safety procedures are taken into consideration.' should be amended as follows:

"1 mark is to be awarded if the entire process is correctly outlined, and 1 mark for the reference of the correct Health and Safety procedures needed to be taken in consideration"

Please ensure that the above changes and clarifications are brought to the attention of the teachers and internal verifiers concerned with this assessment.
