Subject: Cancelled SEC and SEAC Hairdressing and Beauty January EV Visit

Date: 14th December 2022

MATSEC would like to inform schools offering SEC and SEAC Hairdressing and Beauty that, due to reasons beyond its control, the External Verification support visit originally planned to be held in January 2023 for these two subjects, is being cancelled. Further information with regard to the March and the June EV visits in these specific subjects will be communicated in due time.

Meanwhile, external verifiers are in the process of contacting schools to set up the January visit dates for other subjects being offered at both SEC and SEAC levels, or SEAC level only.
