**Date:** 18 June 2020

---

The 2022, 2023, and 2024 SEC 43 and SEAC 08 Hairdressing and Beauty syllabi have been updated as follows:

- The '**N.B.**' related to the correction/enhancement of face shapes in SEC Unit 1 – K6 at MQF 3 (page 15) and SEAC Unit 1 – K7 at MQF 3 (page 17), has been modified to read: *For assessment purposes, the correction/enhancement of any **TWO** face shapes, except the oval face shape, should be illustrated. It is highly recommended that face charts of the different face shapes are used.*
- In SEAC Unit 1 – K7 at MQF 1 (page 17), 'oval' has been added to the list of basic face shapes.

Please ensure that these changes are brought to the attention of teachers and internal verifiers, and reflected in assessment accordingly.
