Subject: SEC 36 Health and Social Care – Unit 2 Controlled Assessment 2024
Marking Scheme Change

Date: 21st May 2024

Kindly note the following change in relation to the Controlled Assessment of SEC 36 Health and Social Care Unit 2 Marking Scheme:

Question 2a – K4 – MQF1

The expected answer for a sign/symptom of body temperature being below the normal range, should be modified to read:

*Temperature: (**below**) skin colour and texture or feeling cold ~~or feeling hot~~.*

'Feeling hot' should not be considered as a valid answer. Other valid symptoms are to be accepted, as per existing note.

Please bring the above to the attention of the respective teachers and internal verifiers.
