Subject: SEAC Agribusiness and SEAC Health & Social Care Vocational Syllabi Updates

Date: 23rd October 2020

The following SEAC vocational syllabi for programmes ending in 2022, 2023 and 2024, have been updated as follows:

SEAC 02 – Health & Social Care

- Unit 2 – A5 – MQF 2 and MQF 3 content (page 30): A Nota Bene (**N.B.**) with a list of minor accidents and major accidents to be considered for First Aid application was included.

SEC 07 – Agribusiness

- Unit 2 – C1 – MQF 2 content (page 23): A typographical error which read “plan species” was corrected to read “plant species”.
- Unit 2 – A1 content (page 23): The third Nota Bene (*****N.B.**) was modified to require the maintenance of transplanted plants to be carried out for at least **TWO** weeks (instead of **SIX**) for assessment purposes.
- Unit 2 – A3 – MQF 3 content (page 25): The Nota Bene (**N.B.**) was modified to require the running of the aquascaped tank for at least **TWO** weeks (instead of **SIX**) for assessment purposes.

These modifications are not related to COVID-19 mitigation measures, and may affect criteria which shall not be assessed during scholastic year 2020-2021, as per separate communication/s.

Please ensure that these changes are brought to the attention of teachers and internal verifiers, and reflected in affected assessment accordingly.
