Instructions

Practising health care professionals who are interested in enrolling on these study-units are invited to apply by the **22nd November**.

Applications may be submitted [here](#).

Applicants ought to submit their application as **NEW USERS**. Each applicant is required to create a new username and password which are specific towards his/her submission, and has not been used before towards the submission of any previous application for courses as offered by the University of Malta. It is important that when prompted to choose the Course Start Date, from the drop down menu, applicants select **Visiting Student (1/F) - 2024/5**. A submission is deemed to be complete only when one presses the submit button at the end of the application page and completes registration payment.

Important Information

- ❑ It is the applicant's responsibility to make sure that the application is submitted by the deadline indicated above.
- ❑ Commencement of the study-units is subject to the:
 - availability of resources at the time of opening
 - number of qualified applicants

The Faculty of Health Sciences shall attempt to announce the days on which a study-unit is to be held prior to its commencement. However, it cannot be bound by fixed days and times for the duration of the study-unit/s.

This information is correct at the time of publication.

Applicants are to submit the certificate of registration/enrolment for verification purposes immediately following the submission of the online application. A scanned copy of the certificate of registration is to be sent to the following email address by not later than Friday 29 November 2024: cpd.healthsci@um.edu.mt

If the certificate of registration is not submitted by this date, the application will be refused and the place will be offered to the next applicant in line.
