

**FACULTY OF \_\_\_\_\_**  
**DECLARATION REGARDING LABORATORY RESEARCH ACTIVITIES**  
**(Academic Year 2020/2021)**

I, the undersigned, hereby declare that:

1. I am a \_\_\_\_\_ student in the \_\_\_\_\_ year of the course - \_\_\_\_\_ - offered by the Faculty of \_\_\_\_\_ at the University of Malta (“UM”); &
2. As part of my course requirements, I am required to undertake laboratory research activities (“Research”) as part of the study-unit \_\_\_\_\_; &
3. I am acknowledging and accepting that by undertaking the Research I may be exposed to certain risks which may include risk of contracting specific infections as well as \_\_\_\_\_; &
4. I am prepared and willing to take the risks mentioned in point 3 above and will not hold the UM responsible should any of such risks materialise; &
5. The activities/tasks associated with the Research that I am about to carry out have been explained to me and I am aware of such activities/tasks and my own responsibilities throughout the period of the Research; &
6. I have read, understood and I agree to abide by the Rules of Behaviour attached to this Declaration before, during and after the Research as stipulated in the said Rules; &
7. I have read and understood the Privacy and Confidentiality Criteria attached to this Declaration and commit to upholding such criteria during the Research; &
8. I am aware and accept that the said Rules of Behaviour and the Privacy and Confidentiality Criteria are in addition to the UM’s Statutes, Regulations and Bye-Laws and any other rules of behaviour and/or privacy and confidentiality criteria, which the UM or the entity responsible for the laboratories (“Entity”) may impose.

## Rules of Behaviour

### 1. Rules of Behaviour Before Commencement of the Research

- 1.1. Immediately before the commencement of the Research, the student undergoing the Research (the 'Student') shall ensure that:
- a. He/she is afebrile; and
  - b. He/she is not suffering from any COVID-19 related symptoms; and
  - c. He/she has no reason to be in quarantine;
- 1.2. If the Student is running a fever, is suffering from any COVID-19 related symptoms and/or has reason to be in quarantine as aforesaid, the Student shall immediately inform                                 . Provided that a failure by the Student to so inform shall be tantamount to a breach of these Rules.

### 2. Rules of Behaviour During the Research

- 2.1. Throughout the period of the Research, the Student shall:
- a. Check his/her temperature before attending each Research session to ensure that he/she is afebrile; and
  - b. Comply with the infection prevention and control policies related to hand hygiene, disinfection of equipment and social distancing of the UM or the Entity as applicable; and
  - c. Immediately report to the professional in charge if he/she suddenly starts feeling unwell; and
  - d. Refer to a professional/s of the UM or the Entity, as applicable, should he/she need to discuss any specific requirements relating to the Research; and
  - e. Always be in the company of at least one other member of staff of the UM or the Entity as applicable; and
  - f. Abide by the UM's and the Entity's regulations, codes, rules, policies, practices and terms and conditions at all times, as may be applicable in the circumstances; and
  - g. Abide and keep abreast of any directions provided by the Superintendent of Public Health regarding the COVID-19 pandemic; and
  - h. Keep confidential any information of or relating to the UM and the Entity (including their clients, employees, practices and procedures) and refrain from using such information for any purpose other than for the proper carrying out of the Research;
- 2.2. Should the Student fail to meet any of the requirements listed in Sub-Article 2.1, he/she shall immediately inform                                 . Provided that a failure by the Student to so inform shall be tantamount to a breach of these Rules.

### 3. **Rules of Behaviour After the Research**

- 3.1. Upon the expiration or termination of the Research, the Student shall continue to adhere to the requirements listed in Sub-Article 2.1 (h) above indefinitely.
- 3.2. Should the Student fail to meet the requirement stipulated in Sub-Article 3.1, the Student shall immediately inform [REDACTED]. Provided that a failure by the Student to so inform shall be tantamount to a breach of these Rules.

### 4. **Consequences Arising from a Breach of the Rules of Behaviour**

- 4.1. In the event of a breach of these Rules by the Student, regardless of whether such breach arises out of an intentional or negligent act or omission on the Student's part, the UM may take one or more of the following actions:
  - a. If the breach constitutes a breach of any relevant UM Statutes, Regulations and/or Bye-Laws, the UM may proceed in accordance with such Statutes, Regulations and/or Bye-Laws and apply the penalties contemplated by the same; and/or
  - b. Termination of the Research activities; and/or
  - c. Any other action it deems appropriate and proportionate in the circumstances.
- 4.2. In addition to Sub-Article 4.1, the Student shall defend the UM from and be responsible for settling any and all third party claims arising out of or in any way connected with a breach by the Student of his/her obligations under these Rules regardless of whether such breach arises out of an intentional or negligent act or omission on the Student's part.

### 5. **Applicability**

- 5.1 These Rules shall apply as from 48 hours prior to the start of the Research and shall continue to apply until the successful completion or early termination of the Research for whatever reason. Provided that, in addition to Article 3 above, Article 4 shall also survive the completion or early termination of the Research.

**Privacy and Confidentiality Criteria  
for  
Students Carrying Out Laboratory Research Activities**

Students carrying out laboratory research activities:

- Shall respect patient privacy and confidentiality at all times;
- Shall respect the privacy and confidentiality of patient data at all times;
- Shall handle patient data only where this is required for the purpose of carrying out tasks and duties assigned during the laboratory research activities;
- Shall not include any information that identifies or may identify patients in any academic work, whether in personal learning notes or in assignments, reports and case and log books submitted for assessment;
- Shall not, under any circumstances, remove patient medical records and/or patient files from Mater Dei Hospital and/or from any other hospital/clinic/organization they may be assigned to carry out such laboratory research activities;
- Shall not make any copies, or take any photos, of patient medical records and/or patient files;
- Shall take facial/dental photos of patients only where such photos are required for academic purposes, and shall only take any such photos as and when instructed by the responsible Faculty members and under such Faculty members' supervision. Such photos shall only be taken with the Faculty's camera;
- Shall not, under any circumstances, take any photos of patients with any personal photo-taking device;
- Shall report lost patient medical records and/or patient files to Faculty staff members immediately upon becoming aware of such loss;
- Shall abide by the \_\_\_\_\_ issued by the Malta Medical Council, as well as by all University of Malta, Government and hospital policies and regulations relating to confidentiality and data protection.
