

PHR 4220 Marking Scheme:

Overall Marking Scheme

- each student chooses own molecule and target
- submits a report by 11 April 2025, observes the format outlined in year 2 and year 3 but includes the literature review

	Assessment	Word Count
Summary (5 lines)	20%	
Poster	20%	
Critique	60%	1200-1800

Mark Distribution for the Critique

Criterion	Maximum Marks Allotted
Coherence of Layout	5
Presentation of the state of the art in the context of a literature review that leads to presentation of an existing problem that the project aims to solve	10
Clarity of method that predisposes to reproducibility and repeatability	20
Discussion that is not merely a statement of findings, but that explains how the aim has been reached, and that adopts a critical evaluation of the work done	20
References	5
