of Pharmacy

## **Submission of Proposal**

**ATTENTION Master of Science  
(Pharmaceutical and Regulatory Sciences) Students  
PHR 5003- Dissertation**

**SUBMISSION OF PROPOSAL**

You are required to prepare a Proposal in line with your identified title for your Dissertation.

**Word Limit:** 600-800 words excluding footnotes and references.

The proposal is intended to put forward the research question indicating the relevance and importance of the research question and previous work carried out. In the proposal put forward methodology planned and identified outcomes of the research.

Key components:

Problem, hypothesis or research question: identify aims and objectives

Importance and relevance of the research: rationale for the research

Significant prior research: literature review that demonstrates an integrated overview of the field

Methodology: research design, sampling, data collection procedures, data analysis

Timeframe and resources required, ethical considerations, limitations

References

Approval to undertake fieldwork in specific sites as necessary

Documentation submission:

- Submit document in PDF and Word format.
- Submission has to be endorsed by project supervisor.
