Notes:

- Erasmus students (as well as UM students who are interested in taking a study-unit as optional) should contact the unit co-ordinator(s) before signing up for it.

- In choosing a study-unit marked as having component units, you are not allowed to choose the study-units that are its components.

- In choosing a study-unit that is marked as a component of a unit with more ECTS (i.e. appears in smaller font), you are not allowed to choose the study-unit that comprises it.
